

Reporting of Seminar

On

“Importance of Value Added Course in Our Life”.

A Seminar on “Importance of Value Added Course in Our Life” organized by IQAC of the College was held at 12.30 p.m. on 27/04/2023 in the Conference Room of the College. The resource person in the seminar was the Principal of Ramakrishna Mission Vivekananda Centenary College, Rahara, W.B., Swami Kamalashthananda. He talked on various aspects of value added courses and their necessity in building up a sound moral character along with a good academic career for the students. In the seminar 105 (One hundred and five) student participants were present.

Objectives :

- i. To cater for the learners a sound knowledge on ‘Value Added Course’.
- ii. To explain the necessity of such education in students’ life.
- iii. To relate academic life with moral life.
- iv. To explain various aspects of value-added courses to the students.
- v. To hint at the scopes to introduce value added courses in a UG College.

Outcomes o the Programme :

- i. The student-participants as well as other participants present in the seminar develop knowledge in value education.
- ii. The college authority feels an urge to introduce value-added courses in the college.
- iii. The student participants feel interested in participating in such courses.
- iv. The participants realize the close relationship between academic life and moral life.
