On December 19, 2017, the Department of Commerce at Egra S.S.B. College organized a one-day seminar in collaboration with ICA Edu Skill Pvt. Ltd. from Kolkata. The event, held at the Commerce Block of Egra S.S.B. College, focused on the vital topics of SAP, GST, and the enhancement of student employability.

The seminar commenced with an insightful address by CA. Sanjib Giri, a distinguished speaker in the field. CA. Giri emphasized the growing significance of skill development in shaping successful careers and becoming employable in the current job market. His engaging presentation shed light on the evolving landscape of employment and how students can align their skills with industry demands.

Representatives from ICA Edu Skill Pvt. Ltd., Kolkata, played a pivotal role in informing the students about the various courses they offer. These professionals elucidated the specific courses available and their relevance in securing employment. They highlighted the practical aspects of these courses, demonstrating how they bridge the gap between academic knowledge and industry requirements. The interactive session allowed students to grasp the potential opportunities that awaited them upon completion of such courses.

A total of 92 students from B.Com Part II and Part III actively participated in the seminar, showcasing their eagerness to learn and enhance their employability skills. The overwhelming response from the students reflected the relevance of the topics discussed and their awareness of the importance of staying updated with current industry trends.

The support and encouragement from the departmental faculties further enriched the seminar. Faculty members from the Department of Commerce actively participated in the discussions, fostering a collaborative and insightful environment. Their involvement underscored the commitment of the college in providing holistic education and preparing students for real-world challenges.

The seminar not only served as an informative platform but also ignited a sense of motivation among the students to invest in their skill development. The knowledge gained from CA. Sanjib Giri's address and the insights shared by the representatives from ICA Edu Skill Pvt. Ltd. empowered the students to make informed decisions about their career paths.

In conclusion, the "SAP, GST, and Student Employability" seminar at Egra S.S.B. College proved to be a valuable initiative in bridging the gap between academia and industry. It equipped students with the knowledge and awareness necessary to navigate the competitive job market, making it a significant milestone in the college's commitment to shaping well-rounded and employable individuals.
