Programme outcome

INTERNATIONAL ACCOUNTING DAY is observed each year on 10th November, to promote the important profession of accounting and also acknowledges all the work accountants do to make businesses and organizations thrive. We observed this day every year to express our sincere gratitude to the accounting professionals as well as to encourage our B.Com students to choose accounting as a profession. This year due some difficulties and hectic academic schedule we observed International accounting day on 02.12.2022. At very first departmental head on behalf of the department greeted the resource person and other dignitaries present in the programme by presenting flower bookey and uttariya. Programme was inaugurated by the resource person of the day CA ARNAB JANA with lighting the lamp and a short speech. After that Head Clerk and Accountant of the college delivered a short speech on their long experience in the field of accounting. Now at 11:30 the session was handed over to the CA. ARNAB JANA. At first he trough light on the importance of observing International Accounting Day. He discussed all the issues related to the accounting and finance, specially IFRS, Green accounting, sustainable accounting and reporting, Sustainable Development Goals (SDGs). He discussed all the topics in detail which helps our students to know about the practical utility of accounting and how to connect commerce with the real life.
