Alumni Meet 2022-23 was organized by the Department of Geography in collaboration with the Alumni Association of Egra S.S.B. College on June 4, 2023, at the conference hall of our college. Dr. Dipak Kr. Tamili, Principal, Egra S.S.B. College, presided over the function. Mr. Prosenjit Murmu, Head, Dept. of Geography, welcomed the dignitaries, teachers, alumni, and current students for the august gathering. After that, Ms. Sumitra Majhi (an alumna) hosted the auspicious occasion till the end. Dr. Swapan Kumar Mishra, Principal, Mugberia Gangadhar Mahavidyalaya, inaugurated the programme. Then the programme started with the invocation song by our beloved students, followed by the lighting of the lamp by the dignitaries. The members of organizing committee then felicitated all the dignitaries, teachers, alumni, and current students. After that, all the dignitaries, one by one, shared their valuable views about the "Alumni Meeting". After that, our students performed some cultural programmes. The dignitaries then presented gifts to the best outgoing students of the academic years 2020–2022. After that, lunch was served from 1 pm to 2 pm. After the lunch break again, a number of songs, dances, and a play on "Environment Awareness" were performed by the current students, followed by batch-wise and course-wise photo sessions at the end. Finally, the programme ended with the vote of thanks by Mr. Debashish Dasamhapatra (Alumni and Faculty of Geography Department) at 4.30 pm.

Outcome of the Alumni Meet:

The most significant part of the "Alumni Meet" is the feedback of alumni on the Department and College Resources. A total of 28 alumni participated in the programme, and they gave their views,

this context, to improve the acceptability of the faculty among the students, the department has taken the following steps:

- Classes will be taken as per routine without any compromise.
- Completion of the syllabus within the time and remedial classes will be taken as required.
- For interactive classes, various teaching aids, PPTs, and open-source AI tools will be used, and study materials will be provided to the students.
- Student seminars will be organized where students will play the role of teachers. In this seminar, they will get 5 to 7 minutes to deliver their speech on a specific topic, which will increase their confidence and skills.
- The teacher-student relationship should be developed so that students can easily communicate with the faculty and raise their problems fearlessly in front of them.

Issues addressed to the college authority:

There are some categories, such as Infrastructure and Laboratory Facilities, Canteen Facilities, Hostel Facilities, etc., which are rated as good by the alumni but require further development so that these can subsequently be rated better. The department has alerted the college's administration to these concerns.
