Outcome of the Lecture Series:

Special Lecture series is one of the important modes of teaching among the students. This programme has been carried out by our department during Covid -19 situation. We have conducted some eminent Professor from the different Universities and colleges for this programme. This Lecture series has been undertaken in collaboration with Department of Geography, Belda College. Prof. Dr. Subhas Chandra Santra, Retd. Professor in Environmental Science, University of Kalyani, has delivered his lecture on conservation of biodiversity at local scale, Mr. Mrinal Mondal, Assistant Professor of Sidhu Kanhu Birsha University, Purulia has delivered his lecture on Agricultural Management at marginal farmer's level, Dr. Lila Mahato, WBES has delivered her lecture on socio economic development stages around South 24 Pargana district during last 20 years and Dr. Pijust Kanti Tripathy, WBES has delivered his lecture on demographic factors analysis. These entire topics are entirely related to the syllabus of Under Graduate of Geography. So, our students get some knowledge during this session. Actually, it was helped us for completing
