SL. No	Seminar/ Conference/ Workshop etc.	Title	International/ National/ State Level	Duration	Venue	Organizing Authority	Date	Time	Mode	No of Participants
1.	Webinar	Mitigation Hazards from Ontological and Sociological Perspective and Understanding the role of Community, Government and Technology	State level	One-Day	-	Dept. of Geography, Egra S.S.B College in collaboration with IQAC, Egra SSB College	9 th July, 2020	11.00 am – 2.30 pm	Virtual	65

Resource Persons:

1. Prof. (Dr.) Sanat Kumar Guchhait, Department of Geography, The University of Burdwan.
2. Dr. Lipika Mondal, Department of Geography (UG & PG), Belda College, Purba Medinipur.

Outcome of the Seminar:

The role of natural disaster and its related adoption is largely being considered in academic research over the world. Different agreement and sustainable goals always pointed out to adoptive capacity building among the society against natural or non- natural occurring of hazards. Progressive measurement and techniques on run of mitigation has been discussed in bunch of topics in this webinar. Prof. Dr. Sanath kumar Guchhait has delivered his lecture through pictorial mode of presentation during this webinar. Dr. Lipika Mondal also delivered her lecture on technological parts for the society combining government offered policies. This webinar was completely effective for the student’s community. Moreover, review summarization, development stages, near adoption concept and multiple attributes were

discussed in this webinar. It should be clear that, the students get knowledge on this topic which is academically help for them through Honours Course. Graphical explanation of this topic was quite interesting for the students as well as other participants.
