**ABOUT THE DEPARTMENT OF BOTANY**

The department of Botany was established in the year of 2001 with the B.Sc. General course under Vidyasagar University to fulfill the demand of local student's. In 2008, this department started Honours course in Botany affiliated under Vidyasagar University. The department is situated on the ground floor of the science building. This department is equipped with laboratories and other essential instruments and modern teaching aids. We have a departmental library to enrich both the faculty and student's of the department the traditional field as well as in the area conjugated through new research activities in different fields.

Two fulltime professor, four permanent SACT-II Lecturer, and one Laboratory attendant are engaged in the activities of teaching and monitoring the students both in Theoretical and Practical classes.

The Department's Commitment To Education Extends Far Beyond Static Displays. **ICT-Based Classrooms** Pulsate With Interactive Learning.

Step Outside The Botany Dept. You'll Be Greeted By **Beautifully Medicinal Garden**.

Many Herbarium Specimens and Museum of Different Fruits preserved in Our Department.

The Department arranges Educational Excursion in every year to different places of India as a part of curriculum of the University. The Department is well equipped three class rooms and laboratories. In order to keep pace with the emerging demands of the students, some master programmes with academic performance have been carried out by the faculty as needed. To encourage the students a wall magazine 'Phyton' is also published in every year. In present year the department is going to publish departmental magazine' Floret' as book form. The Department has arranged State Level and National level Seminars to enrich the students. The result of the department is satisfactory.
