

Egra Sarada Shashi Bhusan College

Department of English

Report on Departmental Excursion

As part of its co-curricular and extension activities, the Department of English of Egra Sarada Shashi Bhusan College has conducted a one-day educational excursion on **2nd of May, 2022** to **Chilkigarh** and **Jhargram Zoological Park** in the district of Jhargram, to build among students environmental awareness. In the present times when our civilization is facing severe environmental crisis, it is very pertinent to initiate young generation learners in awareness build up drive to make them aware of environmental sustainability. The excursion proves to be a successful one in introducing to the students of the Dept. of English about issues of environmental sustainability and bio-diversity amidst the flora and fauna across the river basin of sylvan Dulung in the district of Jhargram. Following is a brief overview of the excursion:
