Department of English

Report on Departmental Tour

As part of its co-curricular and extension activities, the Department of English of Egra Sarada Shashi Bhusan College has conducted a one-day excursion cum field survey on **4th of March, 2021** to **Keshiary**, a village in the district of Paschim Medinipur, and its adjacent areas to make a field survey on the socio-cultural aspects of the lives of the tribal people residing there. The field trip proves to be a successful one in introducing to the students of the Dept. of English with the ways of living of the Lodha-Sabar community residing out there across the Subarnarekha river basin and help them understand the situation of the dalit/ tribal people, at least directly, as they have come across in their curriculum. Following is a brief overview of the field trip at a glance:
