Memo No. : 775/26

Date :

Sub: Participation in "Seva First Innovation Challenge – 2026"

Ref: Memo No. 735(7)/PBSSD/DRDC/PM and Memo No. 735/13/PBSSD/DRDC/PM,
Dated 14/10/2026 of the Additional District Magistrate (Dev. & Skills), Purba Medinipur

Pursuant to the communication received vide the above-referenced memorandum from the Office of the District Magistrate & District Project Coordinator, Purba Medinipur (PBSSD), all students of Egra Sarada Shashi Bhusan College are hereby notified that the **Department of Science and Technology and Biotechnology (DSTBT), Government of West Bengal**, is organizing the "Seva First Innovation Challenge – 2026".

The main objective of this challenge is to motivate young minds to identify local grassroots problems and develop practical, innovative solutions, which may subsequently be adopted by government bodies, industries, and social organizations.

Key Information & Instructions for Students:

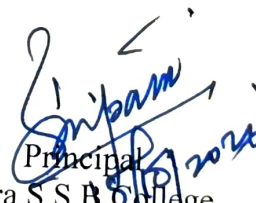

- **Online Registration Portal:** Interested students must submit their applications directly through the dedicated web portal: <https://sficeast.wb.gov.in>.
- **Last Date of Submission:** 30th October, 2026.
- **District-Level Conclave:** Shortlisted participants will attend the District-Level Conclave scheduled on 2nd or 3rd December, 2026, at Mahishadal Raj College.
- **Awards & Support:** Selected innovators will receive attractive cash prizes along with essential developmental and incubation support.

All interested students are directed to complete their online application process immediately before the portal closes.

Sub: Promotion and organization of the Seva First Innovation Challenge-2026

This is to inform you that **Seva First Innovation Challenge-2026** is being organized under the initiative of the Department of Science and Technology and Biotechnology (DSTBT), Government of West Bengal.

The primary objective of this initiative is to encourage young people to identify problems and challenges prevalent in their respective communities and develop innovative solutions to address them. The initiative also seeks to identify promising innovations, create a pipeline of grassroots innovations, and facilitate their adoption by Government departments, local self-government bodies, industries, and social organizations.

For this purpose, a dedicated online portal, <https://sficeast.wb.gov.in>, has been developed to receive applications from school and college students, Polytechnic trainees, early-stage start-ups, independent innovators, and other eligible participants. The portal will remain open for submission of applications until **30th October, 2026**.

Following the application process, a **District-Level Conclave** is scheduled to be held on **2nd or 3rd December, 2026**, at **Mahishadal Raj College**. Selected participants will be eligible for attractive cash prizes and other necessary support, as detailed in the enclosed document.

In view of the above, all concerned are hereby requested to take immediate necessary steps to ensure wide publicity and effective dissemination of information regarding the said initiative among educational institutions, students, young innovators, start-ups, and other eligible stakeholders, so as to encourage maximum participation in the challenge.

This may be treated as urgent.
